Other Home Care Package Fees Schedule

<p>Basic Daily Fee</p> <p>The basic daily fee is set by the Government at a percentage of the single basic aged pension. This fee varies depending on your Home Care Package level. The basic daily fee is added to the Government subsidy to increase the funds available to you in your Home Care Package budget.</p>	<p>NWRH does not charge the Basic Daily Fee</p>
<p>Income-Tested Fee</p> <p>The income-tested fee is a contribution that care recipients may be asked to pay if they can afford to do so and is in addition to the basic daily fee. The income-tested fee is determined through an income assessment, which is conducted by Services Australia.</p>	<p>Services Australia determine this fee on an individual basis. You will be advised by letter of your fee.</p>
<p>Additional Service Fees</p> <p>If you wish to purchase additional (optional) services over and above what is covered in by your Home Care Package budget, you may do so and pay privately for these services. Services are charged at the advertised rate and you will be invoiced for these monthly.</p>	<p>Additional services charged as per the NWRH Fee schedule.</p>
<p>Cancellation Fee</p> <p>It is your responsibility to notify NWRH if you are not available for a scheduled visit. If you need to cancel an appointment, please provide 24 hours' notice. If less than 24 hours' notice of a change or cancellation is provided, the full visit fee will be invoiced to the package even if you do not receive services.</p> <p>We understand, however, that there may be circumstances when you cannot contact us within this timeframe (i.e- hospitalisation). Under these circumstances we would not charge you for a cancelled visit.</p>	<p>Subject to the cancelled service.</p>

Charges and rates will be updated periodically to reflect changes in the costs of delivering services. Clients will be given notice of any changes to the fee schedule.
