WHAT DOES A CARE PARTNER AT NWRH DO EACH DAY?

- **Develop Tailored Care Plans that Empower Clients** - Create, implement, and regularly review personalised care plans for aged care and disability clients, focusing on improving quality of life and supporting long-term health outcomes.
- **Lead Collaborative Client-Centred Support** - Work closely with clients, families, and multidisciplinary teams to ensure care plans are responsive, coordinated, and aligned with client goals, cultural needs, and funding requirements.
- **Maximise Outcomes and Access to Support** - Proactively manage client caseloads, optimise funding utilisation, and connect clients with the right services to support independence, community inclusion, and wellbeing.
- **Ensure High-Quality, Culturally Competent Service Delivery** - Maintain accurate documentation, contribute to funding and compliance reporting, and deliver care with professionalism, compassion, and cultural awareness in every interaction.
