# WHAT DOES A SPEECH PATHOLOGIST AT NWRH DO EACH DAY?

- **Help People Communicate Clearly** - Assess and support people of all ages who have trouble speaking, understanding language, or expressing themselves due to injury, disability, or developmental conditions.
- **Make Eating and Swallowing Safer** - Provide expert advice on body positioning and food textures to help people with swallowing difficulties eat safely and confidently.
- **Assess, Treat & Support** - Encourage clients to build their confidence and achieve greater independence through everyday tasks and social engagement.
- **Team Up to Make an Impact** - Collaborate with other health professionals to create personalised care plans and deliver support through both in-person visits and telehealth, helping people in rural and remote communities access the services they need.
